Professor Temperley from Thorney celebrated his 100th birthday with his family on 4th March.
Unfortunately the professor was unable to celebrate at home as he was a victim of last year’s flooding. Professor Temperley was born in Cambridge and educated at Eton and Cambridge where he read applied mathematics. After a varied career which included working at various American universities and the British nuclear programme, he finished his academic career at the university of Swansea. He retired in 1982. Amongst the greetings sent to the professor on his birthday were a card from the Queen and a message from Stephen Hawking. Parrett Talk would like to add their congratulations on behalf of the entire parish.

This year’s Festival has a BEE theme.... We would like you to create anything ‘bee-like’ to cover the parish in a swarm of black and yellow!!

News from the Methodist Church

Let’s hope that by now the swallows have returned, heralding the approach of summer!

Sunday 3rd May at 10.45am will be a United May Festival Service at our Church. All churches welcome. Monday 4th May is of course May Festival day, and we shall have refreshments of sandwiches and cakes throughout the day, and putting on entertainment with The Wessex Women Singers and the school choir. A quiet corner will also be provided for those who would like a little reflection or repose!

Wednesday 6th May at 7.45pm is the next Fellowship evening in The Wesley Room, and our Minister Revd. Jane Sperring will tell of her trip to India. A sociable evening with refreshments. All welcome.

Wednesday Fellowship on 3rd June it will be Nicole Paterson, who climbed Kilimanjaro!

We do have some well-travelled and adventurous speakers!

Easter Sunday sunrise service. Photo by Haydn Sperring

Sunday 7th June at 1pm is the next Single’s Lunch, so if you live in the village and are on your own, please call Christine on 01935 826578 to book a place with us and enjoy a good meal in friendly company, all for just £5. Shopping for the meal will be done on Wednesday the 3rd so the list closes on the 2nd.

The Coffee Pot meets every Friday between 10.30am until noon. All visitors welcome to have some tea/coffee and biscuits. We always have a good selection of pre-loved books for sale too.

The Girls Brigade meets Friday afternoons. New members always welcome.

The Craft Club members meet on Mondays between 10am and noon.

Our usual Sunday Services at 10.45am.

Remember to check the notice-board for any changes to our events. Good luck to all visitors, supporters and contributors to the May Festival – in other words, everyone!!

Have a great day. - Christine Weymouth

Coffee Morning

After the success of my coffee morning last year when I raised £475 for the MS Society, I have decided to do it again.

So, if you enjoy homemade cakes, quiches, tea and coffee and the tombola please come along to the Church Rooms, Kingsbury Episcopi on Saturday 9th May between 10 am and 12 noon to support the MS SOCIETY.

Many thanks - Fiona Chick

Kingsbury Episcopi Garden and Countryside Club April 2015

Our very successful AGM in February was followed in March by our first meeting as a GARDEN, (not gardening) and COUNTRY SIDE club, when the first of our volunteer speakers, local beekeeper Roy White, ably assisted by his wife Annie, gave us a very entertaining, illustrated talk about bees and bee keeping.

We learned such a lot, for example the ‘hungry gaps’ for bees are early spring, June and late autumn. Some helpful nectar plants for these times mentioned by Roy were mixed hedges, hazel, willow, bramble, borage, hyssop, hellebores, winter heathers, snowdrops, dandelion, small flowered clematis, honeysuckle crocus, ivy and mistletoe. All will help Roy and his bees produce up to 850 lbs of honey in a good year.

Mistletoe has a special relationship with apple trees. Bees are stimulated by the pollen of the mistletoe - really important for Kingsbury and its famous cider apple orchards.

In America bees have to travel as the seasons progress. Millions of hives are loaded onto huge trucks and moved to where they are needed. Sadly the bees will seem to get stressed by this and other environmental factors eg use of herbicides and pesticides, possibly causing colony collapse. Our management of our gardens, orchards and countryside are all vital to the health of these industrious insects for we all depend on them to pollinate the flowering plants which produce the food we eat.

On a lighter note and I can’t remember why but Roy needs ladies tights to assist him in his bee keeping - all donations gratefully received!!!!

OUR NEXT MEETING IS ON May 11th when we will visit Burrow Hill Cider Farm for a talk, tour and sampling!

Sue McGrath Secretary 01460241736

All Welcome - visitors £2.00 per meeting

WILLIAM AND MARY CHARITY TRUST

A grant from the above named trust is available to all young people living within the parish of Kingsbury Episcopi who left secondary education in the summer of 2014 and are either attending a further education college or undertaking an apprenticeship.

To apply, please send an application, in writing, giving details of course or apprenticeship to:

The Trustees c/o Mrs S Potepa, Hayes Farm, Silver Street. East Lambrook, South Petherton, Somerset, TA13 5HW

By the 4th July 2015.
Early Spring at St. Martin’s
On 3rd March, Mary Earle, the Wells Archdeaconry Leader, gave the Mothers’ Union an inspiring talk on parenting and how to reach out to the local community, whether it be young parents, the elderly or someone that may be just lonely.

The Pancake Day Lunch proved to be a huge success with many parishioners, families and ramblers enjoying delicious pancakes. Copious amounts of batter was made up in advance by Margaret Elliott and Graham Beckinsale, our church warden, was drafted in to help with the demand. Barbara and Margaret did a great job as our ‘front of house’ waitresses. By request, another ‘eyes down’ is again, our Lent Lunch proved to be popular, with many enjoying the home-made soup.

On Saturday, 28th March, a very successful jumble sale raised £260, the proceeds of which will be divided between St. Martin’s and the Mothers’ Union. Many thanks to those who donated items, made cakes for the refreshments, and those who came to support us during the afternoon.

An Easter Bingo was held in the Church Rooms - it was a very light-hearted and fun evening, and Liz Beckinsale found a new vocation as ‘caller’. Everyone enjoyed themselves and ‘thank you’ to those who donated Easter eggs and congratulations to those who won them! By request, another ‘eyes down’ is planned for this summer.

Julia Cartwright returned to the Mothers’ Union in April, when she gave us a talk on her personal journey, discovering her faith and spirit - reflecting on moments that have had a profound effect on her life.

As I write this, our thoughts and prayers are with Revd David and Janet, as they visit the Holy Land whilst the rest of us are enjoying this glorious Spring weather - long may it last!

Volunteers Needed
Kingsbury Community Shop
Do you have a few hours to spare weekly, fortnightly or monthly?
Kingsbury Community Shop is looking for volunteers to join the team. Please call in to leave your details in the shop.

Could you be a School Governor?
Kingsbury Episcopi Primary School is looking for new governors to join its Governing Body. Schools need enthusiastic and committed people to become governors. Being a governor is not easy, but it is important, interesting and satisfying.

Governors have the opportunity to express their own views, to listen to the views of others representing the school and its community and to influence pupils’ education for the better.

As a school governor you would be part of a team (the governing body) with a range of important responsibilities. Governors work in partnership with school staff to shape the future of the school, to decide the key issues that will help staff to raise standards and to determine how the school will best spend its money to achieve these aims.

Governors don’t need qualifications, just the desire to make a positive contribution to the education of the children in our school, show interest, commit time and the opportunity to visit the school ‘at work’ during the school day from time to time.

Training is provided by the Local Authority, all new governors will be mentored by existing governors and all governors have access to substantial online information and support.

We are looking for Governors with the commitment and energy to make a difference to our school. In particular at this time, we would be interested in speaking to potential governors with expertise in finance, law, human resources, premises or fundraising. You may find it useful to contact our Chair of Governors Mr Graeme Crosbie (email: graeme.crosbie@levelupsouthwest.co.uk) for a further discussion. More information is available at www.stp.somerset.gov.uk/governorservices/

If you would like to be a candidate, please contact Mr Wayne Higgins, Headteacher (email office@kingsburyepiscopi.somerset.sch.uk phone: 01460 240507) for an application form or initial discussion.

KINGSBURY MAY FESTIVAL
The Fancy Dress Pram Race, the first event of the May Festival weekend takes place between 5 and 7 pm on Saturday 2nd May. A race along Church Street negotiating obstacles such as the chicane, the water hazard and round-the-maypole, for teams of four. There are three categories - over 16s, under 16s and family groups. The cost of entry is £4 per team; prizes in each category for time and fancy dress (choice of theme up to each team). For more information or to enter a team contact Shaun on 01935 822767, though pre-registration is not strictly necessary, you can just turn up with your team. More HELPERS are needed over the festival weekend, particularly on Sunday, but also on Monday. If you can help clear up, set up, put up signs, posts, gazebos etc. please contact Simon on 07799 750272 or Paul on 01935 825531.

Don’t forget Music in the Marquee after the pram race. Tickets are available from the Community Shop.

Saturday 4th July
It’s our fifth anniversary and we are planning something special! New kids activities, exciting new food choices, a “pop-up pub” and a full 9 hours of music to enjoy plus a few little surprises to be announced! This family event is still amazingly good value with ticket prices remaining unchanged for the third year running! Check out the next edition of the Parrett Talk for full details. Early Bird tickets available online now! www.partybytheparrett.co.uk

Important notice from the Parrett Talk Team
Please note the deadline for material for publishing on the diary date page. We cannot guarantee publication after this date. If you wish to include your own flyer, Maralyn Longman 01935 824459 must be informed at least one week before the edition is due out.

Deliveries usually take place round about the first week of January, March, May, July, September and November so getting them to us in time to put them in each copy is important. (A4 and A5 are preferred as anything smaller tends to blow away at the point of delivery!)

630 newsletters are produced.
You may have noticed members of the Rec & Shop Committees walking around with a glazed look in their eyes and blank expressions. Please do not be alarmed, it’s what we call “lottery bid madness”! Many, many hours have been spent by a number of people in respect of our lottery bid final stage application. The papers will be submitted on the 17th May and then we respectfully ask that the whole parish keep everything crossed until October when we will be notified of their decision.

In the meantime we would like to announce our Spring/Summer Programme of events:

LADIES NETBALL – every Tuesday 7pm – 8pm. Just 50p a session for ladies of all ages from 15 and over. Contact Abby on 07714882392

TENNIS – the net will be up for general use Wednesdays 7 – 8pm and Sundays 10 – 11am. Please note this will run on a trial basis starting in May and if popular will continue through the summer. So dust off that racket, borrow the dog’s tennis balls and come and have a go.

You can also book the MUGA for private use (including tennis) for £5 an hour. Contact Sarah on 01460 249139 or 07751702180 to make a booking or for more information.

ROUNDERS – back by popular request! Family Rounders will be played on the SECOND FRIDAY in May, June, July, August and September from 6.30pm. Free to join in. Refreshments and BBQ in aid of the Community Project. Come along, open to players and spectators of all ages!

PARTY BY THE PARRETT – see next page for full details. Tickets available online www.partybytheparrett.co.uk and from the Community Shop after May Festival weekend

PLAY BUS – after last year’s very popular visit from the SSDC Activities Bus we are hoping for a return visit this August. Look out for posters at the rec for more details nearer the time.

"A great open air, one day music event for the whole family to enjoy"
Parish Defibrillator Training
As you will no doubt appreciate, the parish defibrillator is located on the fence outside of the Recreation Ground in a green cabinet and is illuminated at night with a small green light. The Parish Council, having purchased and installed the defibrillator, had arranged a training package as part of the purchase. And so on Saturday the 31st January a large group of parishioners took part in this training exercise on how to administer first aid to a patient with suspected cardiac arrest. This included recognising the signs of a heart attack, then how to administer cardiopulmonary resuscitation (CPR – chest compression) followed by the process to access and use the defibrillator.

Everyone who attended the event all agreed it was a very worthwhile event and thanked the British Heart Foundation trainers for their professional approach and patience.

At the event it was suggested that it would be a good idea to have a list of volunteers so that in an emergency, especially where no further help may be at hand and after 999 had been dialled, they could be contacted to assist in either fetching the defibrillator or help in its use. However the machine does “talk” you through the steps. Two heads are better than one!

1. So in the event of an emergency and you have someone who is not breathing normally, is not moving or responding to you after an accident or a suspected heart attack, phone 999 immediately and inform the emergency services of the situation.

2. The Ambulance Service will then inform you that there is a defibrillator at the Kingsbury Episcopi Recreation Ground and provide you with the lock code so that the defibrillator can be accessed from its cabinet. At the same time an ambulance will have been dispatched.

3. If you are not on your own, summon assistance or, if appropriate, shout for help if there are people around you. Then establish if the helper or a volunteer is able to collect the defibrillator and then phone one of the volunteers on the list. Make sure that either the helper or the volunteer collecting the defibrillator has been given the code number. The ambulance will already be on its way.

4. With CPR and the assistance of the defibrillator you can increase the chance of the patient surviving a heart attack from less than 10% to greater than 70%! And don’t forget, the defibrillator will only respond if it detects that the patient has had a heart attack; you can never do any patient harm using the defibrillator.

Published below are the names and contact numbers of the volunteers, so make a note of them and keep them handy so that in an emergency you know who they are and their contact details:

- **Burrow Hill**: Steve and Carol Mason 01460 242111
- **Kingsbury**: Roy and Annie White 01935 823898, Tim Park 01935 825231, Tania Henn 01935 321206 or 07877338737, Sally Brooks 01935 824612 or 07845905566, Phil and Stephanie Shillito 01935 823758
- **Lower Burrow**: Carolyn Perrin 01460 240263 or 07753521658
- **Stembridge**: Sue and John McGrouther 01460 241736, Pauline Warren 01460 240092 or 07836605100

Parish Council Minutes
March meeting
A representative from the pre-school spoke to the councillors about the ongoing fund raising they were carrying out (so far £1500) and asked for financial help from the Parish Council. Due to the changes in funding received and fewer children attending, their income is down but the rent for the premises is £1000 a term. The Parish council agreed to grant the sum of £1000.

The following planning applications were approved by the parish council:
- Removal of existing first floor lean to and erection of replacement single storey extension at rear of Bladon House, Kingsbury Episcopi.
- Replace wooden windows with UPVC windows at Merryfield House, Kingsbury Episcopi.
- Erection of single storey extension at Hawthorn House, Kingsbury Episcopi.
- Replace external partially glazed double door with a single half-glazed stable door in hardwood at The old Rising Sun, Thorney. A wood burner flue and boundary wall at Granmere, Kingsbury Episcopi.

Grants: Councillors agreed the following grants, £600 for the May Festival portaloos, £250 to Wessex 4X4 and £200 to The British Red Cross, both for their assistance at Thorney during the floods, £50 for the Citizens Advice Bureau, £200 for the PCC St Martins for upkeep of the car park. A provision was also made for £600 for Parrett Talk.

The parish website was discussed again, as Martin, who maintains it is very disheartened at the lack of enthusiasm from locals to put forward information for the website. Please note that as the elections are being held on the 7th May. The next Parish Council will be held on Wednesday, 13th May 2015.

Allotments
Spring is in the air and when better than to get out in the garden. Wouldn’t you like to grow your own vegetables? How about an allotment? We have several vacancies at East Lambrook. Rents are £15 per year for a whole one or £7.50 for a half. Why not take a look at them and meet some of the allotmenteers whilst you’re at it – there’s sure to be someone there. Or contact the Clerk Sarah Potepa on 01460 242369 or sarah.potepa@hotmail.co.uk for more details.

Launch of Parish History Projects
About 70 people attended the launch of the new Parish History Projects in April. Short talks were given by Kevin Cox, Milli Hill, Bruce Montgomery and Michael Brown and a few video cameos were shown of past and present residents talking about their memories. Adrian Wills introduced the audience to some of the proposed projects which the newly reformed History Group (watch this space for a new name for the group!) hope that parishioners will like to get involved with.

The first proposed project involves the primary school carrying out archaeological digs but there are plenty more ideas ranging from having buildings surveyed by the Somerset Vernacular Research Group to producing further village history books. If you missed the meeting but would like to know more, pick up a pamphlet in the church during the May Festival or email historygroupkingsbury@gmail.com.

It is hoped that whatever your interest, there will be something for you either in the initial research or in presenting the information in word, video, needlework or drawing etc.
Those were the days my friends .......
After reading the fireworks article in last month’s edition I felt that there were a number of people who really should have been mentioned, and that is the group who were known as The Kingsbury Fundraisers.
This small band of friends came together over 30+ years ago and worked so well together to raise money for the village up until 2000.
It was all good fun with jumble sales, bingo, beetle drives, street parties for the Queen’s Silver Jubilee and royal weddings, the over 60’s Christmas party, the Church Fete, the beginnings of the fireworks night and the start of the ploughman’s lunch at the May Festival.
You name it, they did it! These friends worked tirelessly over the years but couldn’t have done any of it without help from village people who loved to get involved.
We have lost Joan “Jumble Queen” Fisher and a few have moved but most still live in the village.
You know who you are and I would like to thank all of you for those very happy and enjoyable times.

East Lambrook telephone Kiosk
The kiosk at East Lambrook no longer has a phone. It has been taken out by BT due to lack of use. The kiosk has now been adopted by the Parish Council and we would like to hear from parishioners any thoughts on its future use. Suggestions have been, an additional notice board or a book exchange or library service (as the mobile library will soon cease). If you have any suggestions please contact the Clerk sarah.potepa@hotmail.co.uk or phone 01460 242369.

KE Pre-School
Pre-school has started the summer term with an outbreak of chicken pox. However the children aren’t letting that get them down with the sun shining they are enjoying playing out side.
We have lots of activities planned for the summer term including a Gruffalo picnic which parents can enjoy as well. Fundraising continues with many events planned at the May Festival and a punishing Bokwathon* which the chair person will participate for 3 hours.
There will be an open afternoon on 8th June for anyone who would like to look at the Pre-school, so if you have little ones approaching pre-school age we will be happy to see you there.
Don’t forget - Coconut Shy and Sheaf Tossing at the May Festival.
*Bokwa is an exercise a bit like Zumba.

Election Day 7th May 2015
Don’t forget to vote. Not only is it the General Election for the whole country but this is also your opportunity to vote for your local District Councillor and for your own Parish Councillors.

Kingsbury Episcopi Website
A reminder that the parish has a website and we would like more information from local groups, organisations, clubs, photographs, dates of events etc.
Take a look on www.kingsburyepiscopi.com and contact the Clerk sarah.potepa@hotmail.co.uk with anything you wish to put on the website. It can only be as good as the information it holds, and we are reliant on you the parishioners to provide that information.
